

# SWISS STYLE

*Media Kit*

“*Swiss Style* is a unique media concept geared towards the needs of the affluent English speaking population of Switzerland. Through our dedicated reporting and exclusive access to top decision-makers we represent a forum of ideas and opinions on the major issues of change from the viewpoints and the special provinces of Swiss and world leaders. Many of *Swiss Style* Magazine’s readers through their position of leadership, exercise inherent influence and commanding authority over the allocation of the world’s human and material resources.

Our bi-monthly magazine provides the essential perspective, insight and analysis required to navigate the waters of opportunity and risk. It is also a place to gain inspiring lifestyle advice. When it’s time to unwind you will find guidance from the luxury preferences of our readers to help you achieve the work-life balance.

Whether it is business or leisure *Swiss Style* is somewhere to be influenced by your peers and learn from your counterparts.”

### *Global Vision*

At *Swiss Style* we give you a unique perspective on what makes Switzerland tick. Our projects, appointments and collaborations are however not confined to the realms of Switzerland. Our globe trotting feet give an international slant to that which matters to professionals in Switzerland.

### *Corporate Insight*

*Swiss Style* is the place to learn about the tricks of the trade and the triumphs of some of the world's biggest companies. Our exclusive access interviews with CEO's and prominent figures in the world of business and politics give you the latest news of the insider corporate strategies and emerging trends.

### *Distinctive Audience*

Our readers are amongst the world's elite – the most affluent and the most influential. Our elusive audience, collectively shape Switzerland's future, and indirectly set the stage for the content of our magazine.

### *Smart Discussion*

*Swiss Style* meets with top decision makers to gain fresh perspectives on topics of interest. We invite our readers to share in the conversations either in our brand new Balik studio or through our website.

### *Special Coverage*

*Swiss Style* makes sure that it covers exciting news and events that are of special interest to its readers. Throughout the year we publish a range of Special Issues, our most notable one's being extensive coverage of the World Economic Forum meetings.

### *Luxury Trends*

As a token of our support to the luxury industry, on which we largely depend, we have compiled an Insiders Luxury Report. Many of the top-tier luxury consumers make up the bulk readership of *Swiss Style* magazine.

### *Business Style*

At *Swiss Style* business is our passion. Our in-depth reports follow every business path to the end and we don't leave any corners unturned. Our readers are kept on track with the latest developments in the world of finance and politics.

### *Sustainability*

Here at *Swiss Style* we probe into the significance of sustainability in the corporate world. We aim to provide a platform for the thought processes on the issue, somewhere to be influenced by your peers and to learn from your counterparts. We recognise that sustainability is more than just a banner to aimlessly waver about.

### *Art of Life*

Switzerland harbours a number of distinguished personalities. Together with Geneva based artist Daniel Ybarra *Swiss Style* crosses these people's private threshold, investigating what makes them who they are, uncovering the pearls lying beneath the seemingly mundane.

### *Life-style*

Alluring lifestyle coverage for the successful professional. Topics to inspire you, topics to make you think and features to make you aware of the latest work, home and leisure trends.

### *Careers*

Knowledge is Switzerland's most valuable resource. We present developments within the educational field and keep you up-to-date with the learning opportunities for professionals and executives.

Swiss Style and its sister-service AngloPhone Telephone Information, regularly compile reports on the wants, needs and consumption trends of its affluent and influential readers.

### *Global Innovation Awards*

As recognition of extraordinary awards made by the Swiss Style readership, the magazine has been awarding leaders on their accomplishments in the field of making a difference towards global hunger, climate change, and energy security – contributions to fixing the broken chain in the circle of life.

### *Insider's Luxury Report*

As certain industries face harsh and uncertain economic times, we believe that it has never been more important to understand evolving consumer needs. This report brings together the views of an independent and bespoke panel of leaders and professionals of the industry who comment on luxury, responsible practice consumer behavior from across Europe, the US, the Middle East, China and India.

### *Bi-annual Survey of Revenues and Compensation*

This survey is taken from Swiss Style magazine readers as well as Anglophone Information Service users. The survey for 2010 showed that our customer base in Switzerland is extremely well compensated. The factors examined were the differences in compensation between type and size of organization, foreign or domestic ownership, nationality and gender.
